

Be Part of the Big Picture

Selfie Sunday Photo Guide and Questionnaire

You are invited to share photos that represent the life of your church (up to 10 pictures). Please include photos of your Sunday congregation(s) and images of ministries during the week.*

Please answer the following:

Questionnaire

- 1) Church name:

- 2) What words would sum up your community now?

- 3) Share about some of the ministries of your church.

- 4) Tell us your physical, website and social media addresses. (if applicable)

- 5) Tell us about your future hopes and challenges

- 6) What is an area where you'd like prayer?

7) Tell us a bit about your story to this point: how your church began and significant changes since then. If possible cover the following questions:

- When did your church begin (and when did it join Churches of Christ, if the date differs)? Tell us a little of your founding story.
- What style of building does your congregation use to meet? (eg. chapel built in 1920, converted factory space)
- List the ministers who have served your congregation and their periods of ministry.
- In the last year how many people have attended worship services on the average Sunday?
- Church name changes, if applicable.
- Has your congregation published its own history? Please provide details if so.

*For each photo, note the date, time, activity (eg 10 am service, Friday night youth group) and where possible, the names of people in the photograph.

Release forms for use of the images are available. It is simplest to use these on the day you take the photograph(s). Parents will need to sign these on behalf of their children. People need to be given the option to opt out of the photograph, or to opt not to have their name listed.

All information should be emailed to contact@selfiesunday.org, preferably by the end of October 2016. You will be notified if web uploading becomes available (the site is under construction)
